SI reference number (diarienummer):

Applicant organisation:

International partner organisation(s):

Participating country (s):

Title of the project:

Project period:

Sum granted:

DID YOU APPLY TO WORK WITH:

- Culture
- Media

OUTCOMES AND EXPECTED RESULTS

1. Select the boxes for the programme objectives that the project aimed to achieve (see Page 1 in your application):

- A more pluralistic civil society.
- Improved conditions for democratic accountability to the people.
- Free and more independent media.
- Stronger rights and greater respect for/recognition of vulnerable groups such as children and LGBTQ persons as well as ethnic and religious minorities.
- Greater awareness and reduced levels of discrimination and intolerance.
- Women and men have increasingly equal power to shape society and their own lives.

2a. What results did you expect the project to achieve? (See Question 6 in your application.)

b. Has the project achieved these results? Please elaborate.

3. Please describe how you have measured your expected results. (See Question 7 in your application.)

4. Describe how the project has contributed to the Creative Force programme objectives which you ticked on Page 1 of your application?

IMPLEMENTATION

5. Describe the main activities which took place (see Question 8 in your application). Please comment on any changes from the plan.

6. Did you succeed in following the planned timetable for the project? If no, please elaborate.

7a. During the project, did you cooperate with any projects or organisations, either for planning or funding purposes, other than those mentioned in your application?

b. Was there any change of partner(s) during the course of the project?

8. Were the financial resources sufficient to achieve the intended results of the project? If no, please elaborate.

9. Did you encounter any expected or unexpected obstacles? If yes, please elaborate in relation to your original risk analysis. (See Question 9 in your application.)

TARGET GROUPS AND SUSTAINABILITY

10. Did the project succeed in involving the target group(s) in line with your original expectations? (See Question 4 in your application.) Please elaborate.

11. Do you foresee continuing this project in any way? (For example, through networking, a direct continuation or new projects.)

COMMENTS

12. Did the project give rise to any unexpected results?

13. Any other comments?
