Specify where the project activities will take place	In target country(s)
Short project summary	Write something here

Strategic objectives

A more pluralistic society	1.1: The target group has a better understanding of the importance for democracy of a strong and diverse civil society.
Improved conditions for democratic accountability to the people	2.1: The target group has strengthened its capacity to identify existing deficits in democratic accountability.
Free and more independent media	3.1: The target group has strengthened its capacity to communicate the importance of free and more independent media.
Stronger rights and greater respect for/recognition of vulnerable groups such as children and LGBTQ persons as well as ethnic and religious minorities.	4.1: The target group has strengthened its ability to work in such a way as to draw public attention to the issue of the rights of vulnerable groups.
Women and men increasingly have equal power to shape society and their own lives.	5.1: The target group has strengthened its capacity to work with methods which will communicate and challenge gender-stereotypical attitudes and unequal gender roles in society.

Problem analysis

Describe the specific problem the project wants to address Write something here

How will your project help to solve this problem? Please elaborate. Write something here

Why is this problem relevant with regard to democracy or freedom of speech in the project country or region? Write something here
