Checklist	

Project summary

TYPE OF GRANT: COOPERATION PROJECTS

Please state the project details below.

Project acronym and title *

Write both project acronym and project title.

Start date *

Projects should start between 1 September and 1 November 2025.

End date *

A project can last from 12 months to 24 months (cooperation projects) or 6 months to 15 months (seed projects).

Number of months *

Make sure this corresponds to the dates given above. A project can last from 12 months to 24 months (cooperation projects) or 6 months to 15 months (seed projects).

Sum applied for in SEK *

Make sure that the amount you enter here is the same as the total amount stated in enclosure 3, budget.
For Cooperation projects: The sum applied for should be at least SEK 750,000 and up to SEK 2 million.
For Seed funding: The sum applied for should be at least SEK 100,000 and up to SEK 500,000.
Write figures only.

SI BALTIC SEA NEIGHBOURHOOD PROGRAMME – COOPERATION PROJECTS

QUESTIONS FROM THE SI APPLICATION PORTAL 2025

Short project summary *

Write a short project summary of max. 1000 characters (including spaces).

Summarise according to: challenge/opportunity, aim and expected results. Please note that we will use this summary for communication purposes if you are awarded funding.

Core countries in which partners are located *

- Armenia
- Azerbaijan
- Estonia
- Georgia
- Latvia
- Lithuania
- Moldova
- Poland
- Ukraine

Make sure that this correspond to the countries your project partners are located in. You need to attach partner letters from the partners in these countries. It is mandatory to have at least two partners (the Swedish main applicant not included) in two different countries from the list above.

Additional countries in which partners are located

- Denmark
- Finland
- Germany

Should you have partners in additional countries in you partnership you can select them here. These countries can participate provided that the partnership already consists of a main applicant from Sweden and at least two core countries within or outside the EU

Does your project use the special arrangement of Third Country Cooperation as described in the Instructions?

- Yes
- No

For more information, please read section 2.1 in the Instructions document.

.....

Additional countries in which partners are located

- Denmark
- Finland
- Germany

Should you have partners in additional countries in you partnership you can select them here. These countries can participate provided that the partnership already consists of a main applicant from Sweden and at least two core countries within or outside the EU

Does your project use the special arrangement of Third Country Cooperation as described in the Instructions?

- Yes
- No

For more information, please read section 2.1 in the Instructions document.

How many project partners are there (not including the main applicant)? *

Make sure this corresponds to the number of partners stated under the tab Project partners. A partnership must consist of at least three different core countries, including the main applicant based in Sweden, to be considered complete. Please note that a partnership within cooperation projects can consist of up to 12 partners (including the main applicant), and within seed funding projects up to 8 partners (including the main applicant).

Estimate the number of people participating in project activities *

Do not upload your application enclosures here

You should upload all the necessary application enclosures under Checklist. Once you have uploaded the requested enclosures under Checklist, the documents will be visible here.

No documents have been uploaded
Use the form below to upload the required documents

Click to select documents or simply drop them here

No documents should be uploaded here but under the page Checklist.

You can only upload files up to **10 MiB** in size each from the following types: **JPEG, GIF, PNG, PDF**. Please make sure that the image is not blurry or distorted and has plenty of contrast. Remember that they should be legible when printed out. **The documents must be upright (not upside down) and in portrait mode (taller than wider).**

Other common office file formats (Word, Excel, PowerPoint) are supported as well.
